Wildlife Update

RANGER'S REPORT FOR JULY

Welcome back to a chilly, yet exciting update on our adventures here in the Klaserie Private Nature Reserve. We will be covering all the thrilling sightings that happened during July 2022. Our guests were extremely lucky to have experience a rare sighting of a Caracal with 2 kittens!

We nearly had a unique visit from a resident leopard who seems to have made herself home at Makumu!

As our guests were enjoying their sundowners, they were treated to a visit by a group of curious hyenas, who looked very interested in the display of yummy snacks.
