The Joy of New Beginnings

Revel in a romantic hideaway where you can live out your safari fantasy in pure, world-class luxury.

“Travel is like love, mostly because it’s a heightened state of awareness, in which we are mindful, receptive, undimmed by familiarity and ready to be transformed. That is why the best trips, like the best love affairs, never really end.” — Pico Iyer

Each of our King Suite bathrooms' include a large bath that faces an open window into the bush. We use this space to our advantage by adding candles, rose petals and champagne for that romantic touch!

Reason To Celebrate!

The New Year of 2023 Comes With Even More Reason To Celebrate!

Our owner, Stefan Breuer is celebrating 50 YEARS in the Klaserie Nature Reserve! Stefan first came to the reserve in 1973 and has since made the area his forever home...

If you are travelling to our lodge this year, we hope you'll join us in raising a glass and toasting to Stefan as these walls of Makumu Private Game Lodge would not exist without his love for the bush!

We love our Guests

THE BEST SPOT WE COULD POSSIBLY CHOOSE

"We were looking for the real thing, this is the place. An authentic and very good taste lodge to spend some safari days in the beautiful Klaserie reserve. The food is outstanding (so is the drinks' availability), the rooms are elegant, beautiful and comfortable. The only complain? I didn't see the Black Mamba! Jokes aside, it's hard to find a better experience"
