

2019 Change in Room Structure and Rate

Spring has arrived in the Southern Hemisphere, and with it new life in the bush. The warmer weather has also meant more frequent wildlife visits to our watering hole, which makes for excellent in-camp game viewing.

An exciting update is that as of 1 January 2019 our room structure will change from charging a per person rate for the villa to a per person rate for a suite. Makumu Private Game Lodge has 3 spacious villas. Each villa contains 2 luxury suites, each with its own en-suite bathroom, which is separated by an entrance hall with doors leading to either side, making each suite fully private.

To date we have been charging a per person rate (of R9 120 Rack in 2018), which has included the exclusive use of both suites in a villa. **Effective 1 January 2019**, we will be charging a per suite rate to be able to offer the 2nd suite to additional guests, at a slightly reduced rate.

Description of Suites:
